Nixon has chosen to suggest  
he is aware of human suffering -  
yet contents - no cancer  
Perfectly clean - nothing has changed

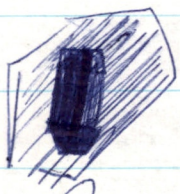

Vietnamese Tanya's not further -

Sonograd - all killed -

American govt not founded on  
basis of unlimited trust of anyone  
being - Has to be watched, members  
checked.

\* 1) Raise issue of President - unlimited  
right to lie -

Question - what to do about it

2) \* Proved we have been ruled by men  
whose lives have been such to make  
decisions on very abstract calculations -  
totally divorced from the human pain  
& agony they are causing

Continued, every reached -

Search whole PP - never find statistics  
Not because we couldn't - higher levels  
never bothered

Statistics of human pain -

Not seen as relevant -

Pain of people of dimensions  
Policies being made by men.

Assess effect on country

Concealing lies  
Telling the truth is harder

McL even Justice Dept -  
Giving info that American public  
not hear.

The real question

Does the President have an unlimited  
right to lie?

Does he have an unlimited  
right to keep the ~~facts~~ mouth for  
the American people -  
Not really - a no

Documents proved what ~~was~~  
people long suspected - that we  
we seriously lied to
